Sec. 64-1 Definitions

Vape Shop means any business whose primary product line for retail sale is alternative nicotine products or vape juice, or both. Alternative nicotine products refer to any products or devices that employ an electronic heating element, power source, electronic circuit, battery, or other electronic, chemical, or mechanical means to produce a vapor that delivers nicotine to the person inhaling from the device, including e-cigarettes, e-cigars, and e-pipes, whether manufactured, distributed, marketed, or sold as an e-cigarette, e-cigar, e-pipe, but not including e-hookahs or e-bongs. Vape juice refers to any liquid that contains compounds containing pharmaceutical grade vegetable glycerin, propylene glycol, nicotine, food-grade flavoring, and water, and can be used for vaping by means of an alternative nicotine product. For purposes of this code section, "primary" shall mean that alternative nicotine products, vape juice, or both constitute at least fifty percent of the business's aggregate retail sales.

Sec. 64-395. - Uses prohibited in all zoning districts.

In all zoning districts the following uses are considered objectionable and are prohibited: Fortune telling establishment, massage parlor, pool hall, escort and dating services, vape shops, and tattoo and body art or piercing establishment.
