Irrigation/Landscape

CHECK ALL THAT APPLY

Irrigation Landscape

Other (Specify) _____

Project Location: _____

Project Start Date: _____ Completion Date: _____

PERMITEE:

Company Name: _____

Name: _____ Phone: _____ Email: _____

CONTRACTOR SUPERINTENDENT:

Name: _____ Phone: _____ 24-Hour Ph #: _____

This permit authorizes only the following street Rights-of-Way to be encroached upon for the purpose of irrigation or additional landscape referenced herein:

THIS PERMIT SHALL BE AVAILABLE ON THE JOB SITE.

Failure to do so may result in temporary suspension of all site work. Call Milton Department of Public Works (MDPW) 678.242.2500 in case of forced work stoppage.

NO OTHER CONSTRUCTION ACTIVITY SHALL COMMENCE WITHOUT THE REQUIRED PERMITS Work must start within 10 days and completed within 30 days from the date of approval unless otherwise approved by MDPW.

ALL WORK ZONES MUST COMPLY WITH Manual on Uniform Traffic Control Devices, latest edition.

EROSION CONTROL: All work areas must comply with Chapter 20 Article VI, Milton City Code of Ordinances.

TRAFFIC SAFETY: (Without Prior Approval) No equipment or materials shall be left within 15 feet of the edge of pavement during non-work hours. All temporary signage must be removed or covered during non-work hours. No open excavations shall be left in the r/w.

UTILITY LOCATE is the responsibility of the Permit holder. Permittee **must call Utility Protection Service (811) as well as Fulton County Water and/or Fulton County Sewer Division** according to service area. If utility service is breached under a roadway, the permittee is still responsible for repairs to the roadway (to City satisfaction) even if the permittee has called for a locate.

I acknowledge I read and understand the conditions of this permit and I am familiar with the requirements.

Permittee or Authorized Agent: _____ Date: _____

NOTE: All work in the roadway must be done between 9:00 AM and 4:00 PM unless otherwise instructed. Any damage to the right-of-way or City infrastructure must be restored in accordance with the City of Milton construction specifications per City Ordinance at the sole expense of the permittee. Email pwpermits@cityofmiltonga.us for final site inspection. This request is mandatory. Failure to comply may result in citywide permit suspension and could include bond requirement on future permits.

Comments: CITY INDEMNIFICATION FOR PUBLIC IMPROVEMENTS

The property owner, its attorneys, consultants, agents, servants, partners, employees, heirs, successors, assigns, other representatives, and/or any other person acting on their behalf, hereby agrees to indemnify and hold Milton, its attorneys, consultants, agents, servants, partners, employees, heirs, successors, assigns, elected officials, other representatives, and/or any other person acting on its behalf, harmless from and against any and all rights, claims, warranties, demands, debts, damages, accounts, agreements, obligations, liabilities, liens, costs, expenses, charges, losses, judgments and claims for attorneys' fees and/or expenses of litigation, and causes of action of any kind or nature, at law or in equity, due to the damage, destruction, deterioration, or failure any City-owned utility systems or other City works activities (the "public improvements") located within or adjacent to the subject project, arising out of the existence, installation, maintenance, replacement, repair, alteration, modification, or failure of the private improvements
