

MILTON GROWS GREEN COMMITTEE
FEBRUARY 14, 2012 MINUTES

Time: Noon-1:30 PM

Place: City Hall. 13000 Deerfield Parkway Executive Conference Room

Agenda: It was posted on the City's web site.

Attendees: Jack Lindon, Cindy Eade, Francia Lindon, Mark Law, Jon McPhail, Michele McIntosh-Ross.

I. Updates

BSA Paint recycling was successful 7000 cans paint. Williams did not pick it up efficiently.

II. New Business

Earth Day: - Cindy

Green Communities Booth: would like to have Mark Law-tree city information. Home Depot would like to help with Kids craft tent, Diane Miller and Eric Cooper.

Green Schools: - report from Kathy Johnson

Northwestern MS hosting next Evergreen meeting March 6, 4:30 PM. Tour of permaculture area.

Adopt A Road-report from Julie Pinckney

Roswell Pediatrics new AAR group-Mayfield.

Arbor Day March 17: - Mark Law. At Bethwell Community Center. We would like to break into about 4 groups: tree planting, planting around sign and around foundation. Optech going to set the posts for a fence, need to get volunteers to attach boards. Volunteers from Milton Garden Club, YMSL, Home Depot and Hopewell Jr. Beta Club.

Document Shredding - Pro Shredding - Cindy. Not going to work doing it at Earth Day. But, a Friday in the City Hall parking lot might work. Wanted 300 cars in 3 hours. Group seemed interested in doing this for the community. Possibly consider doing it in conjunction with drug take back program.

III. Old Business

Green Communities Update: - Michele and Cindy. Presented to City Council on 2-11. Reviewed other cities that have achieved certification. Need help from council in approving a green ordinance that would make it neat and clean. Difficult for a volunteer group to do, takes lots of staff time. Educational component to let community know what we are doing. Building standards can be 'conditional' based on not to exceed verbiage for costs. Michele reviewed history, beginning in June 2010. Master planning (especially Crabapple) should include planning for electric cars, preferred parking and charging stations.

Meeting adjourned at 1:50 pm

Jack Lindon, Chairman

ATTEST:
