Suggestions for future events included: Share the luncheon goals and objectives, expand attendee introductions so participants can become acquainted with as many people as possible and send an evite out for the next event that includes a participant's food category sign-up section.

- Adopt-a-Road Clean-up – April 26

Barbara reported that the trash bags have not been picked up. A work order has been issued for this to take place this week. The Better Together sign will be one of the first to be placed on our section of Thompson Road during the next two weeks.

## Better Together – Possible Survey Items

Lisa reviewed the 15 proposed survey questions. The group suggested topics that could be combined, reducing the number from 15 to 10.

## Events and Activities (Future) –

- Robeks Juice – Targeting June 20

A meeting has been scheduled for Friday, May 9, to discuss this event. More information will be available at the next meeting.

- Talk of the Town – TBD

We are in the very early stages of chatting with CJ Tott on an event at her store. This is a new business that has been in Milton for approximately 5 months.

- General –

Barbara asked the group to submit any business suggestions that they may have to Wayne for event consideration. Barbara also reported that Nothing Bundt Cakes reported a “best ever” for holiday sales for the past Easter weekend. Better Together was credited with helping to make this happen.

- Welcoming New Residents – Will be mailed second week in May  
This program has been in effect for three months. In that time, we have mailed some 125 packages to new residents.

## Better Together Meeting on July 14 – Nancilee Wolfe Hosting

Nancilee briefly discussed the upcoming July 14 meeting at her house. The combination meeting/social event will follow the same format as the Christmas meeting that was held at the Boston residence.

## Open Discussion
